*elegance and Grace*

# COMPANY PROFILE

Sundaram Chains, since its inception in the 90's has grown rapidly and has earned a reputation for being a leading manufacturer of machine chains. Today our expertise has expanded to include assorted chains, CNC bangles, casting and kids

jewellery in 22kt as well as 18kt rose gold. With three decades of experience in the Gems and Jewellery industry and our young team, we focus on innovation, customer satisfaction and transparency.

Our mission is to address growing demand by offering more than 1,00,000 designs across various categories. Our commitment for precise quality, timely delivery and ethical business practices has helped us emerged globally.

Sundaram chains has successfully established long standing relationships with its significant distributors in PAN India, UAE and Singapore.
